* Bulbs are only to be used with electrical ballasts for 12 V and 24 V vehicles.
** Only for internal applications.
LED retrofit kits are not approved for use on public roads and have no ECE-approval. Depending on local regulations on-road use of this product for exterior applications may lead to cancellation of operating license and loss of insurance coverage. It is your own responsibility to comply with local legal requirements. If dashboard warning signals appear after installation, an additional CANbus may be required. For more information please check with your professional workshop.
